

You're Invited!

You're invited to attend the Polk County Resource Group kickoff meeting. Tri-Valley Opportunity Council and other partners associated with the Northwest Minnesota Council of Collaboratives have taken the initiative to lay the foundation for the resource group. Moving forward, the Polk County Resource Group will guide the development of a user-friendly website for the citizens and resource providers of Polk County.

The intent of the kickoff meeting is to identify resources and providers to be a part of the collaborative resource website. The early stages of the website will be unveiled at the kickoff with an opportunity to add resource providers. Your expertise is essential to the success of the collaborative resource website.

We encourage you to bring informational materials on your agency/service/organization to share with the group. A limited amount of time will be set aside for resource providers to share information about their agency if desired.

The kickoff meeting will be held:

Tuesday, November 22nd from 10:00 a.m. to 12:00 p.m.

Crookston Sports Center Community Room (801 Fisher Avenue, Crookston)

Please share this invitation with anyone in your organization that may be interested in this project and network.
